December 2017

EYFS Parents/Carers

Dear parents/carers,

Our topic for next half term is called 'Frozen Planet'. Our Wow day will be on Monday 8<sup>th</sup> January 2018. We will be making an igloo from milk bottles. We would be grateful if you could send in 4 or 6 pints plastic milk bottles rinsed out and with the lids off to help us with our construction.

Our topic will include activities which cover all of the areas of learning in the EYFS curriculum including;

- Finding out about the Arctic and Arctic animals
- Investigating ice and looking at freezing and melting
- Creating winter artwork using different materials
- Exploring patterns made by ice or frost and creating our own patterns in maths
- Finding out about hibernation

In the EYFS we cover RE on a Thursday in our 'Little Worship' based on stories from the Bible.

If you feel that you could help out with anything for this topic please speak to one of the Early Years team.

Golden Tickets can be found at the front of the EYFS building. Please do fill these in and send them back to school so we can celebrate the learning and achievements of the children outside of school. Thank you for those you have sent in so far this year.

Thank you for your continued support.

Yours faithfully

*The Early Years Team*
