

St. Swithun's Weekly News

Week ending 10th May 2019

Dear parents/carers

It was lovely to see such a wide variety of non-school uniform outfits today. Everyone certainly looked ready for the school disco! Thank you for all your generous donations towards the Rainbow Fayre, which I am sure will be as wonderful as ever and raise much needed funds for our super children.

As a school we are always trying to find new funding sources to raise funds for our school. The saying 'everybody knows somebody' is so important during the current time of austerity. We often have kind donations from people and companies and we are always grateful for these. In the last half term we were lucky to receive rolls of fabric and some amazing sheets of large coloured paper, thank you. If you work for anyone who throws away paper, stationery etc. please keep us in mind as all items are gratefully received and put to good use. We have also been asking local companies for play pit sand, play bark, pea gravel and cobbles but have so far been unsuccessful. If you know of anyone who may be able to donate some of these goods then please speak to Mrs Shields or Mrs Sedgwick.

This week I would like to commend our Year 2 pupils for their hard work completing their SATs papers. Fantastic work Year 2. Next week is Year 6 SATs week. Please can we make sure that everyone is in school on time so that the whole school is settled before Year 6 start. Thank you for your help.

Hopefully the warmer weather will soon be upon us so please can we make sure that jumpers and cardigans are named clearly (along with all other items sent into school).

I look forward to seeing many of you at the school disco tonight and have a lovely weekend.

We will see you all on Monday.

Yours faithfully

Mrs Anita Whitehurst

Values Education

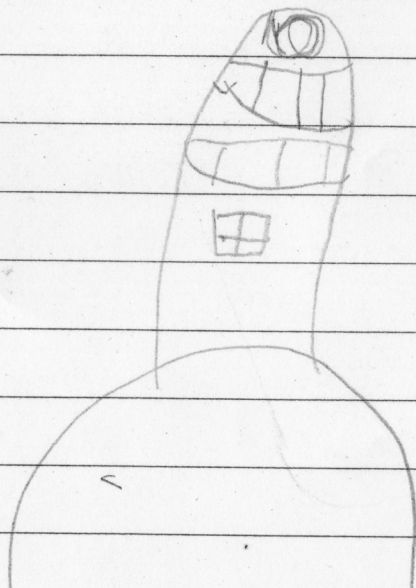

This half term our value is Service.

'Serve one another in love' (Galatians 5.13)

Writing star of the week

We have decided to celebrate the hard work of our pupils by having a writing star of the week in the newsletter. This will rotate through each year group giving all children from all year groups a chance to show their talents.

once upon a time
there lived a Lighthouse
keeper. He was drawing.
The water was noisy.
He tiptoed up the stairs
then he draft the light.

Henry, Reception

Henry wrote a story and drew a picture of a lighthouse on a rock to go with it
