

Dear parents / carers

I cannot believe that this is the last newsletter of this half term. September now seems like a distant memory and our focus for next half term will move towards Christmas. Please note the change of times for performances of the Nativity for Years 1 to 4. These times were published on the dates for your diary sheet sent out earlier in the term.

As the clocks will also be changing and the mornings and evenings getting darker, please can we remind all our children about staying safe in the dark, especially those that are walking to and from school on their own.

On Wednesday, Year 6 went for their first taster day at Sandy Secondary School. They completed a range of activities and had an amazing day. The children behaved impeccably and really were a credit to the school.

Thank you to those parents that attended the Year 2 SATs information evening. For those of you that could not attend the slides will be available on the school website.

I would also like to remind parents that the school car park is for staff and visitors only. Over the last few weeks there have been a growing number of parents parking in the school car park blocking emergency exits and parking on the turning circle. Please can you find an alternative place to park outside of the school grounds and be respectful of our neighbours.

Thank you to all those parents/carers who have already booked for parent consultations which are taking place on 6th and 7th November. If you have not already booked an appointment, please speak to the school office who will be happy to help you.

I look forward to seeing everyone after the half term break. Children return on Monday 29th October.

Yours faithfully

Mrs Anita Whitehurst
