

GDPR Compliance Statement

Dolce Ltd, have embraced accountability in preparation for forthcoming changes in the Data Protection Legislation (GDPR (EU) 2016/679) and have an on going process to ensure current and future compliance.

Policy Development

We are finalising our internal policies and procedure bringing them in line with GDPR including and not limited to: Employee Data Protection Policy, Data Breach Policy, Subject Access Requests, Individuals Rights.

Website Data Collection & Consent, Privacy Policy

By the 25th of May our website privacy policy will incorporate all GDPR obligations.

Data Impact Assessments & Data Inventory

As part of our GDPR compliance process we have systematically reviewed the data we store, manage, maintain, collect, process and control. This includes offline storage and paper records (which are limited), to ensure that the data held is compliant in relation to Lawfulness, Purpose, Minimisation, Accuracy, Consent, Limitation, Integrity & Confidentiality, Record Keeping and Accountability this is anticipated to be complete by the 25th of May.

Training & Awareness

We have scheduled training for staff to ensure all staff members are aware of the changes and the impact on the policies, procedures, and responsibilities of staff.

Supplier & Partner relationships

Where relevant and related, we have put in place contractual obligations on our suppliers to ensure our that our third party and suppliers are complying with the GDPR.

Security and Technology

We have reviewed our technology platforms and usage and will gain Cyber Essentials Certification as a further risk reduction strategy with ongoing testing timetabled to ensure our layered defences are fully operational.
