Dear Parents/carers,

Websites to support home learning

below is a list of websites that we think will help you work with your children at home, reinforcing much of the work we do here in school. Some of the websites contain adverts and some require an adult to set up a free account.

We will continue to update this list throughout the coming weeks.

All age groups

Twinkl – Offering worksheets and powerpoints to support children of all ages. Account needed – Free access to the ultimate bundle due to Covid 9 has been made available for all parents / carers for 1 month.
